PERSONAL PROFILE

Lifelong piano player turns software developer. I have a passion for creative thinking, working in teams, and keeping things efficient! I quickly discovered a love for software development as I noticed its unique combination of mathematics and art. I am excited to see where my career in software development takes me!

TECHNICAL SKILLS

- Javascript & React
- HTML & CSS
- Python & Django
- Github

PERSONAL PROJECTS

- Front-End Capstone
 - Spotter, a single-page fitness app
 - Browse a library of instructional videos
 - Create personalized workouts from the videos
 - Save, Edit, Delete workouts
 - User-specific data, full CRUD functionality
- Holiday Road
 - A single-page travel app
 - JavaScript, CSS
 - Browse and save travel itineraries
 - Preview the weather forecast by location

DYLAN MORRIS

SOFTWARE DEVELOPER

TECHNICAL EXPERIENCE

Software Developer

Nashville Software School | Jan 2021 - Present

NSS is a six-month intensive, full-time software development bootcamp focusing on HTML, CSS, Javascript, React, and server-side fundamentals with Python and Django.

- Single-page application development with a focus on React and modern ES6+ JavaScript modular code
- Project management with issue tickets and GitHub Projects
- Database planning by building entity relationship diagrams (ERD) to define relationships with an emphasis on maintaining a flat data structure
- Completed 6 group project sprints while fully remote, comfortable with Slack, Zoom, GitHub Projects, and wireframes for group communication and collaboration

EDUCATIONAL HISTORY

Belmont University

BA Songwriting | 2009 - 2013

- Music publishing, copyright law, lyric writing, music theory, music composition.
- Minor in Marketing

PROFESSIONAL EXPERIENCE

Adventure Science Center

Adventure Guide | Aug 2020 - Feb 2021

- Live science demonstration
- Exhibit operation
- Providing memorable experiences for guests
- Transformed Story Time into a musical experience with an original song to accompany the chosen story each week

PROFESSIONAL EXPERIENCE

The Southern Steak & Oyster

Expediter / Server | Oct 2013 - June 2019

- Managed up to 70 order tickets at any given time to ensure the restaurant is running at optimal efficiency
- Responsible for double-checking accuracy of orders
- Coordinated food-runners to deliver orders together, on time, to the correct customers while managing real-time updates between servers and chefs
- Expedited several Saturday evening-shifts grossing above \$50,000 in food sales while minimizing costs from mistaken orders and deliveries to under \$500

Music By Morris LLC

Owner | 2013 - Present

- Musical performance & composition
- Writing & co-writing songs that move the needle in the entertainment industry
