## PERSONAL PROFILE

Lifelong piano player turns software developer. I have a passion a passion for creative thinking, working in teams, and keeping things efficient! I quickly discovered a love for software development as I noticed its unique combination of mathematics and art. I am excited to see where my career in software development takes me!

## TECHNICAL SKILLS

- Javascript & React
- HTML & CSS
- Python & Django
- Github

## PERSONAL PROJECTS

- Front-End Capstone
  - Spotter, a single-page fitness app
  - React, React-Bootstrap, CSS
  - Create and save workouts
  - Browse a library of instructional videos
- Back-End Capstone
  - Spotter, a single-page fitness app
  - React, React-Bootstrap, CSS
  - Create and save workouts
  - Browse a library of instructional videos

# DYLAN MORRIS

## SOFTWARE DEVELOPER

## TECHNICAL EXPERIENCE

### Software Developer

Nashville Software School | Jan 2021 - Present

NSS is a six-month intensive, full-time software development bootcamp focusing on HTML, CSS, Javascript, React, and server-side fundamentals with Python and Django.

- Single-page application development with React and with a focus on modern ES6+ JavaScript features and modular code
- Project management with issue tickets and GitHub Projects
- Database planning by building entity relationship diagrams (ERD) to define relationships with an emphasis on maintaining a flat data structure
- Utilized vanilla JavaScript (ES6) and React to create single-page dynamic web applications using full CRUD functionality
- Styled applications using CSS, Bootstrap, and React-Bootstrap
- Completed 6 group project sprints while fully remote, comfortable with Slack, Zoom, GitHub Projects, and wireframes for group communication and collaboration

## EDUCATIONAL HISTORY

### Belmont University

BA Songwriting | 2009 - 2013

- Music publishing, copyright law, lyric writing, music theory, music composition.
- Minor in Marketing

## PROFESSIONAL EXPERIENCE

### Music By Morris LLC

Owner | June 2013 - Present

- Musical performance & composition
- Writing & co-writing songs that move the needle in the entertainment industry

## PROFESSIONAL EXPERIENCE

### Adventure Science Center

Adventure Guide | Aug 2020 - Feb 2021

- Live science demonstration
- Exhibit operation
- Providing memorable experiences for guests
- Transformed Story Time into a musical experience. Every Monday morning my team would choose a story to read and I would compose a song with my teammate and play piano while he sang or rapped the story to the early explorers.

### Southern Steak & Oyster

Expediter | Oct 2013 - Dec 2017

- Managed up to 70 order tickets at any given time to ensure the restaurant is running at optimal efficiency
- Responsible for double-checking accuracy of orders
- Coordinated food-runners to deliver orders together, on time, to the correct customers.
- Relayed real-time updates between servers and chefs
- I am most proud of coordinating several Saturday evening-shifts grossing above \$50,000 in food sales while minimizing costs from mistaken orders and deliveries to under \$500

Server | Jan 2018 - June 2019

- Provided excellent dinner, lunch, and brunch service with a guest-first mindset
- Entertaining guests
- I learned guest experience and interaction is more important than providing the ordered meals
- As a server I realized my groove is in working on teams, not as an individual

### Nashville Adult Literacy Council

Volunteer | Jun 2016 - Nov 2018

- Intermittently donated an hour weekly to serve as a private tutor for adults in Nashville learning to read from a program provided by NALC

### Swing Dance Nashville

Instructor | Jan 2017 - March 2020

- Taught beginner and intermediate level swing dance classes
- Taught drop-in lesson during Friday night social dances
- DJ for the Friday night social dances
- Performed choreography as part of a team for community outreach
